

Certificate of Analysis

Product Name: β -Lactoglobulin
Cat. No.: GF00019
Batch No.: 4
Chemical Name:

PHYSICAL AND CHEMICAL PROPERTIES

Cas. No.: 9045-23-2
Molecular Formula:
Molecular Weight:
Specifications & Purity: BioReagent, $\geq 95\%$, derived from milk
Storage: Store at 2-8°C

Chemical Structure:

ANALYTICAL DATA

Parameter	LimitValues	Result
Appearance:	White to Off-White to Milky white Powder	White to Off-White to Milky white Powder
Protein in DM(Nx6.38):	95-100(%)	97.00000%
Watercontent:	0-6(%)	3.70000%

Caution: Product has not been fully validated for medical applications. For research use only.
